## TECH ALUMNI DAY 2005

### Military Memorial Dedication

- photos by Ralph Baumheckel (1946)

On June 11, Tech Choir Alumni sang of it, politicians spoke of it, and the new military monument memorialized it, but those it honored did much more than that; they *lived* it, and *died* for it—Service to our Country.

On Alumni Day, the class of 1955 dedicated the new military memorial in front of the Arsenal Building. The memorial was conceived and designed by their Fiftieth Class Reunion Planning Committee. The bronze sculpture is the creation of Ben Foster of Lander, Wyoming. It symbolizes the sacrifices of the gallant service men and women who have given their lives in defending freedom for the citizenry of the United States of America. The monument was constructed by West Landscaping.

The five military seals represent the five branches of the United States Military. They are, in order from left to right: United States Army, United States Marines, United States Navy, United States Air Force, and United States Coast Guard. The inscription on the monument reads:

***In Honor of All Arsenal Technical High School Alumni Who  
Have Served Our Country in the United States Military***

*~ Dedicated in 2005 by the Class of 1955 ~*

The dedication program included speeches by **Howard Longshore**, Navy, former Tech principal, teacher and coach; **Ralph Tolan**, Army, American Legion; **James O'Donnell (1938)**, Navy, survivor of the USS Indianapolis; **Donald Myers (1961)**, Marines; **James Bohn (1955)**, Air Force; and **John Norman (1955)**, Army. U.S. Representative **Julia Carson** was also present and shared a few words of appreciation. The program concluded with the playing of "Taps."

## Class of 1955 Fiftieth Reunion Update

Many thanks to all Tech alumni as well as loyal friends of Tech who helped our class achieve its goal of \$25,000. Also, on behalf of the Class of 1955, a donation of \$4,850 was made to the Tech Endowment Fund. The money came to us through generous contributions, a silent auction which was highly successful, and other reunion events.

On Alumni Day, we presented the school a beautiful military memorial which was placed on the south side of the Arsenal building. It stands to honor those alumni who have served, are serving, and will serve in the U.S. military. See article on page 1.

## Lost and Found

**Found**—a cow bell from the early 1940's that is engraved with Room 200 on it, along with some ball scores. Found by **Dorothy Lowe Alexander ('46)**. ## ALUMNI DAY—JUNE 10, 2006

# Where Are They Now?

***News of Tech  
Alumni from  
around our  
nation and  
the world.***

**David L. Smith ('47)** is currently living in Fishers, Indiana, and has written a book, *Hoosiers in Hollywood*, to be published in 2006. It will be an encyclopedic history of Hoosier contributions to the art of motion pictures, from the beginning of silent film to the present... **Judith Turpin Cull ('51)** lives in Mulege, Baja California Sur, Mexico, "a village which is smaller than the Tech campus, and with less population than the 1950 combined student body. It gives me time to appreciate the values learned at Tech—patience!"... **The Rev. Charles (Chuck) Robertson ('57)**, Pastor of Wilshire Presbyterian Church in Los Angeles, was one

of 45 "children of Abraham"—15 Jews, 15 Christians, and 15 Muslims—on an interfaith pilgrimage to the Holy Land, in February. They worshipped together in the traditions and places of worship of all three faiths, rather than in interfaith services where accommodations are made to one another's beliefs. More information this pilgrimage can be found at [www.abraham.la...](http://www.abraham.la...) **Kris Shaw ('91)** is working all over the country as a stand-up comedian, and has done several television commercials as well. More information about Kris and upcoming performances is available at [www.krisshaw.com](http://www.krisshaw.com)

## 8th Annual Florida Reunion

Once again we will have the "Florida Satellite Reunion," at beautiful Siesta Beach in Sarasota, Florida. We had the largest crowd ever this past February.

We will have another day in the sun at the beach. I have reserved Saturday, February 25th at the Siesta Beach Gazebo, just south of the large pavilion. As always, I strongly suggest that you arrive around 10 a.m, as parking continues to be scarce. If you know of others who may be interested, please invite them. Please bring along a covered dish to share, and I will furnish meat and soft drinks.

I am looking forward to seeing you in February. Please contact me at 941 359 8593 or 1-888-287-6325 or [joritas@cs.com](mailto:joritas@cs.com), should you have questions. **Jo Rita Perry Stevens**
