## Class of 1946 Celebrates its 60th

Tech's Class of 1946 held its 60th Reunion at the Riverwalk Banquet Center in Broad Ripple, at noon on June 9, 2006. **William Buckley ('69)**, Tech Vice Principal of Scheduling and Student Records, and **Dr. Peggy Clark ('66)**, former Tech Principal, presented a review of the new Academy System recently instituted at Tech. Everyone was provided with a copy of the new "A World of Opportunity" brochure, stating The Mission of Tech and describing the six "small school" Academies.

The 27 individuals attending (shown at left) who had served in the U.S. Military were recognized. Each received a picture of the new memorial in front of the Arsenal that carries the inscription, "In honor of all Arsenal Technical

High School Alumni who have served our country in the United States Military."

The popular memorabilia table included a poster highlighting the special gifts made by former Tech history teacher, **Miss Helen Elliott**. She gave her historic 1867 home to Historic New Harmony to serve as their offices, and as a place "to educate visitors about the historic preservation in New Harmony." She and her sister gave the Elliott farm on the Wabash River to the State of Indiana as the basis of the Harmony State Park.

Professional entertainment was provided by 1946 graduate **Bob Finsterwald** of Athens, Ohio. His great renditions of the "Songs of the '40s and '50s" brought back a lot of great memories.

Thanks to the many generous contributions by our attendees and other class members, a check for \$812.93 was sent to the Tech Alumni Association.

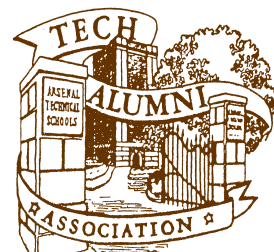

- Ralph Baumheckel and Nancy Dye Talbot, Reunion Committee Co-chairs

## Six Tech Alumni Honored with Anderson Awards

On November 2, six Tech alumni were honored by the ATHS Alumni Association at a luncheon held in their honor on the Tech Campus. Each was presented a Hanson H. Anderson award, named to honor Tech's principal from 1937 to 1958. Recipients of this distinguished award, given annually, are selected on the basis of those qualities that Mr. Anderson personified, those of outstanding personal achievement and success in their lives, and community service.

This year's recipients (shown left to right in the picture above): **Clayton E. Ray, 1951; Maxwell Meise, 1953; Bonnie Priest, 1958; R. Keith Branham, 1954; Max Page, 1952.** not pictured, **Robert C. Dodson, 1937.** Congratulations!

## Tech Music Activities

Visit the music area any day, and you will hear the sounds of tradition ringing through the halls! Hard work and excellence are the hallmarks of our program, and each year we try even harder to provide our students with unforgettable musical experiences. Of the four music teachers, three are ATHS alumni—**Beth Aubrey Meyer** (orchestra), **Kevin Baldwin** (band), and **Cindy Lewis Hartshorn** (choral). **Kandy Brown** is the only non-Tech grad, and she's taught at Tech for so many years, we consider her an honorary alum. (Our assistant, **Gisele Dollinger**, is a Howe graduate, but we overlook that in view of the fact that she is the glue that holds our music family together! Also, her 15 years of experience here at Tech count for something!)

Our music calendar is already filling up this year with exciting events, and we wanted to share some of these with you. A fun audience is vital to any performance, and we'd like to invite you all to join us for any of these musicals or concerts! If you need further information, please call the Music Office at 317 693-5328. All shows are in Anderson Auditorium and begin at 7:00 p.m. unless otherwise noted. We hope to see you in the audience at one of our shows!

December 1 & 2 – Faculty/Staff Musical – “Cinderella”

December 18 – Madrigal Dinner at Englewood Christian Church

December 29 – Winter Concert

February 22, 23, 24 – all-school musical, “Joseph & the Amazing Technicolor Dreamcoat” (don't miss this one!)

April 28 – Arts on the Green 11:00 a.m. – 3:00 p.m.

May 6 – Techoir Spring Concert – 3:00 p.m.

May 11 – Feast & Follies dessert show at Englewood Christian Church

## From the Principal's Desk

***"I am honored to be at the helm of this wonderful school ..."***

October 3, 2006

As the new "Campus Administrator" here at Arsenal Technical High School, it is my honor to send you greetings on behalf of our current students and staff! I have had some opportunities to meet several of our valued Alumni and look forward to getting acquainted with more of you and "connecting" with additional members of this impressive Alumni Association.

Though I am coming to Tech from Broad Ripple HS, this is not my first time on the campus. I was part of the Tech faculty during the late 1980's, and I am very happy to be here again.

The duties of a Campus Administrator are many; however, one of my immediate interests is sprucing up the buildings and grounds of this lovely and historic place. Some recent improvements include the restoration of the English ivy around the Guard house, perennial flowers to line the Arsenal drive, and creating the "Adopt an Area" initiative for campus organizations. This provides an opportunity for teams, clubs, classes, and interested parties to "adopt" a concrete planter or small lawn area, planting appropriate perennials and annuals and caring for it throughout the year. Since we are also re-planting and placing new plaques on the many memorial trees around the campus, we are updating a diagram chart including every tree and its donor and memorial.

A very exciting new venture is the creation of a "new look" for our student cafeteria! Large round tables, attractive and colorful chairs, and wall hangings are all part of the plan for a more attractive, professional-looking atmosphere for our students.

Like any big project, this calls for big money! I'm doing what I can to find any grants that might help us out. I would also like to enlist the help of any interested Alumni in this ambitious endeavor! We are providing an organized method by which any interested parties can donate toward this exciting project – you will see "Food for Thought" information elsewhere in this newsletter. I hope that you will be able to help us out financially as we try to make our student common area more inviting and attractive.

Our students deserve it!

I am honored to be at the helm of this wonderful school and am eager to meet the challenge of making a difference here at Tech. Please stop by my office whenever you visit. I look forward to meeting you!

Sincerely,

*Sarah H. Bogard*

Arsenal Technical High School Campus Administrator/Principal

## Help Support Tech's Silent Reading Program

Imagine an inner-city high school with 2,200 students, and 130 teachers/administrators, where there is total silence for 17 minutes of every school day and the only sound you hear is the turning of pages as young people and adults read a book of their choice!

This is the daily scenario at ATHS during the daily Sustained Silent Reading (SSR) Program. Test scores, vocabulary, spelling, reading and writing skills are all improving as we start our third year of SSR. Although the Tech Alumni Association has contributed \$6,000 over two years to our program, some of our original grantors can no longer contribute to our annual needs. We have good core reading collections in each room, but we need to continue allowing teachers (with student assistance) to choose new materials each year to keep the collections fresh.

We are seeking your help for a large (or even a smaller!) grant award from any Tech Alumni who care about reading. Please send any contributions to ATHS, **Mary Ann Laker**, Media Director/SSR, 1500 East Michigan St., Indianapolis, IN 46201. Thank you!

## **Food for Thought**

***Fine Dining/  
Academic Excellence***

After forty years, Tech's cafeteria will be transformed from its plain, institutional state into a place where students may gather, socialize and interact as they travel the road of academic excellence. We want to provide our students with an attractive, inviting facility that will rival any other high school cafeteria.

Financial donations are being solicited to make this project happen. Our goal is \$100,000. Donors will be acknowledged on a plaque to be displayed in the newly-redecorated Tech cafeteria. Please consider making a donation in one of the amounts shown below or in the amount of your choice. **Make checks payable to the Arsenal Technical H.S. Cafeteria Fund and send to: Robert Hyde, Financial Office, Arsenal Technical High School, 1500 East Michigan St., Indianapolis, IN 46201.**
