## Alumni Day 2013: A Full Day of Fun

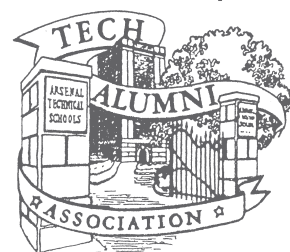

Alumni Day 2013 took place on June 8<sup>th</sup> on the Tech Campus. Beautiful weather greeted hundreds of alums from nearly every decade. The day began with registration and campus tours, followed by the annual business meeting. At the meeting, awards were presented to several Tech graduates, including Alumnus Of The Year Lyn Funke Shemwell. After the business meeting, lunch was held in the cafeteria where alums caught up with old friends and made new ones.

Following lunch, the Alumni Association dedicated a new military memorial in front of the Arsenal. The new memorial, which honors Tech students from its first hundred years who served in any branch of the United States Armed Forces, was the vision of Joe Fuller ('82) and Wanda Towner Harris ('48). The dedication ceremony featured speeches from several dignitaries, including In-

dianapolis Mayor Greg Ballard. Mayor Ballard is not a tech grad, but both of his parents are Tech graduates. The Mayor made a point to say he is thankful for Tech because without it, his may have never met.

For the first time in several years, the day did not end on campus. The Alumni Association rekindled an old tradition by holding a dinner and dance at the Indiana State Fairgrounds. More than 150 people attended this fun-filled event where they were entertained by current members of the Technicians. The event was such a huge success, the Alumni Association is planning to hold it again next year.

All in all, 2013 was one of the best Alumni Days we've had. We hope you join us next year on June 14<sup>th</sup> for Alumni Day 2014.

## *A Message from the Alumni Association President*

Greetings from the Arsenal Technical High School Alumni Association!

First we express our appreciation for the generous response we received concerning our request for donations to our operating fund. The Alumni Association cannot exist without your support. Hundreds of you made contributions! Now, if we receive sufficient donations to cover the cost of our fall/winter mailing of about \$5800, we will end up the year in the black. Again, please accept our heartfelt gratitude and appreciation for your thoughtful and valuable donations.

### NEW ENDOWMENT FUND DRIVE

About 12 years ago, we began soliciting donations in order to establish an Alumni Association Endowment Fund. Donor levels of recognition were established with donors names on bricks, plaques and on the Wall of Honor across from the Anderson Auditorium. The investments from this fund have generated income from which we have supported various student and teacher needs annually. This has been very successful. We have been able to provide from \$10,000 to \$15,000 each year for important unfunded student needs and programs.

Now we are planning another Endowment Fund drive. In order to supplement and enlarge the initial Endowment Fund, we hope to end up with sufficient funds which would provide some annual income support for the Alumni Association operating costs as well. If successful, this could ease our pressure of having to ask for donations for operations each year. And the additional contributions would give us the much needed funding to spruce up and replace our Wall of Honor area with new redesigned recognition and landscaping. More information and a new brochure are in the works and will be released soon.

### ALUMNI ASSOCIATION MUSEUM TO REMAIN

During our Centennial Celebration in 2012, several alumni, with guidance from Sarah Bogard, established an Alumni Association Museum in room 8 on the second floor of the Arsenal. Many of you donated or loaned your block T sweaters, yearbooks, programs, pictures and all sorts of Tech memorabilia to be used in this museum. It was a great success! It has become a joyous, historical walk down memory lane.

With the approval of the principal, Mr. Larry Yarrell, a 1975 Tech grad, we plan to make this a permanent Alumni Association Museum and ask for the full support from the IPS as well. Beth Meyer, a 1977 Tech grad and current Tech teacher, is an Alumni Board Director and has volunteered to head up the museum. We are very excited about this, because it will become an important vehicle to record and maintain the history, rich tradition and memories of Tech for generations of past and future Tech graduates. Let us know if you want to participate in any way.

Thank you all for your continued support. Together we carry on the tradition and recognition of being one of the largest, most active and most devoted high school alumni associations in the nation.

Sincerely,

Ron Jackson, Class of 1953  
President, ATHS Alumni Association

## Guidelines for Posting Class Announcements

Reunion notices and other class announcements are published in TECHnically Speaking on a space-available basis. Priority will be given based upon proximity of the event to the publication date of the newsletter, and to those groups which incorporate the Alumni Association's Tech Alumni Day activities as an integral part of their reunion events.

Event planners are encouraged to keep their announcements brief. All class announcements must include at least 1 but no more than 3 contacts, with each having a phone number and/or e-mail address.

## Class of 1964

50th Reunion  
June 13-14, 2014

ATTENTION ALL MEMBERS OF THE GRADUATING CLASS OF 1964! Next year will be the 50th anniversary of our graduation from Tech High School. It is amazing that so many of us are still "alive and kicking"! We want to celebrate and need your help in contacting all our classmates. So, mark your calendar for Friday, June 13, 2014 and Saturday, June 14, 2014. On Friday there will be a special gathering to reconnect with old friends and make some new ones. On Saturday there will be a coffee, lunch, campus tour and, "capping off the day", a buffet dinner and dance. We are looking at package pricing to attend more than one of the events. Also hotel accommodations and car rentals. More details will be coming as plans are finalized.

If you have questions or comments or want to be on the planning committee please contact: Janice Battenburg [drjanb@aol.com](mailto:drjanb@aol.com); Jenny Goodnight Yarian-Scapelli [jysiapes@comcast.net](mailto:jysiapes@comcast.net); John Habig [john.habig@comcast.net](mailto:john.habig@comcast.net); Linda Clark Hunter [lhunte9@yahoo.com](mailto:lhunte9@yahoo.com); Ralph and Linda Craig Wendel [LSwendel@aol.com](mailto:LSwendel@aol.com).

## Attention Veterans and Families

The Veteran's Wall was dedicated on June 8, 2013, and at the dedication we received a number of requests for names to be added to the wall. We have checked with the contractor and this can be done.

There are two things that must happen to accomplish this addition to the wall.

First, the Class of 1948 is going to provide the funds. Secondly, the 18x18 bronze plaque can hold around 340 names. We will not put up a plaque that is not full of Veterans names. As of October 1<sup>st</sup>, we have 48 names of Veterans who are not on the original wall. If you are interested in helping with the addition of Tech Veterans names, contact Wanda Harris, at (317) 839-1656 or e-mail [jwharris1@juno.com](mailto:jwharris1@juno.com).
